In consideration of being permitted to participate in MJCC activities and to use the facilities and equipment, I accept all risk to my child's health and any injury or death that may result from such participation, and I hereby release the Memphis Jewish Community Center and its Board of Directors, officers, agents, employees, representatives, executors, and all others from any and all liability for any and all claims and causes for action from loss or damage to my child's property and for any and all illness and injury to my child, including death that may result from or occur during participation in a MJCC activity. Media

The MJCC reserves the right to publish photographs of our members and program participants in newspapers, social media, magazines, brochures, newsletters, and promotional videos on our website.

Sunscreen

Campers spend a lot of time outside. Parents/Guardians are responsible for applying the first layer of sunscreen prior to morning drop-off. Parents/Guardians are responsible for providing one sealed container per child with enough sunscreen for later day applications. Camp staff are responsible for ensuring thorough follow-up applications after 1 hour in the water, after 2 hours of activity in the sun (due to perspiration), and/or any other time as needed. Please note that these decisions were made to protect your child. Our staff members have been trained on this subject and understand their responsibilities in observing this policy. The MJCC reserves the right to disallow anyone to participate in the camp program, at any time, for failure to comply.
