Intake and Referral

Our Intake Coordinator assesses needs, provides information, and helps community members access services at the Wendy and Avron B. Fogelman Jewish Family Service (Fogelman JFS) and elsewhere in the area.

Counseling & Support Groups/Classes

Our Licensed Clinical Social Workers offer individual, family, and couples counseling. All services are offered on a sliding scale basis. Current support groups focus on bereavement, dementia, and those individuals living with Parkinson's disease. There is no charge for these groups.

We also offer a Parenting Through Divorce class which is a state-mandated co-parenting class for couples who are getting divorced and have minor children. There is a fee for this class.

Peggy E. & L.R. Jalenak, Jr. Food and Baby Pantry

The Peggy E. & L.R. Jalenak, Jr. Food and Baby Pantry at Fogelman JFS, is open to all who qualify. The Kosher food pantry provides shelf-stable food to serve those who are food insecure. The baby pantry serves children, newborns to 2 years. Inventory is based on community donations and includes baby essentials such as diapers, baby wipes, bottles, and pacifiers. We do not provide clothes or toys.

Finestone Family Home Delivered Meals

Our home-delivered meal program provides Kosher frozen meals to seniors of the Jewish community who qualify.

Judy and Larry Moss Senior Services

Our Case Manager enhances the lives of seniors by providing comprehensive support to them and their loved ones. This is done through evaluating and coordinating ongoing support services.

Inclusion and Diverse Abilities

Our Inclusion and Diverse Abilities programs provide a variety of services for the Jewish community, both educational and social. Programs are available for individuals living with developmental and acquired disabilities, as well as their caregivers. Services include assistance in navigating the legal, medical, and educational systems.

Educational Programs

We offer a variety of workshops for both professionals and the community-at-large. Many are NASW TN approved events.

Volunteer Services

Fogelman JFS volunteers have several opportunities to work with home bound Jewish seniors: Volunteer Driver for medical appointments and shopping, Kosher Meals delivery, Friendly Visitor, Stay in Touch telephone assurance, Handy Helper for home chores, and Drivers with our Special Needs activities. We also need volunteers to work on various special projects and other programs and services.

Kay & Allen Iskiwitz Shalom Shuttle

Our experienced driver provides transportation to members of the Jewish community who are at least 60 years old as well as adults with documented disabilities. Transportation is provided with door to door assistance to locations within Shelby County. Please note, we are unable to accommodate individuals in wheel chairs.
