

DOWNLOAD ZOOM ON YOUR DEVICE (COMPUTER, PHONE, TABLET)

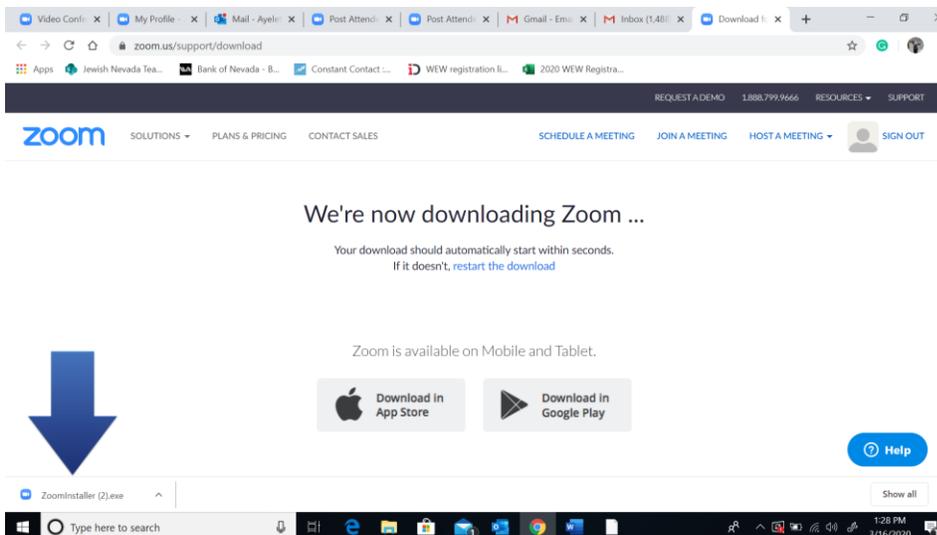

1. Click on the link (CTRL+left click) or copy it (Highlight, CTRL+C) and paste (CTRL+V) into your browser (Internet).

<https://zoom.us/support/download>

2. It will open this window
3. Click Save

4. Click the Zoominstaller.exe link on your computer

5. You can now join a meeting with the link that was sent to your email by clicking “Join a Meeting” or you can click sign-in and create a Zoom account for yourself. (Not necessary for participating in Zoom classes or sessions.)
